Trickster: An Anthropological Memoir PDF ... - Anthropology is the study of humans, past and present. To understand the full sweep and complexity of cultures across all of human history, Anthropology draws upon knowledge from the social and biological sciences as well as the humanities and

trickster an anthropological memoir

physical sciences.
Historically, in the US,
anthropologists usually
have been trained in one of
four areas, socio-cultural
anthropology, biological ...
Anthropology | Trickster:
An Anthropological
Memoir, by ... - Eileen
Kane is a professional
anthropologist, with the
fieldwork to prove it, but
she made her mark in the
world educating the rest of
us shmucks, not the
cognoscenti. I think that
was probably more valuable
to us. Her memoir of her
first foray into fieldwork is
replete with humor, detail
and wisdom. She spins the
tale of a young female ...
